TLS *Rx*
ADVISORY GROUP

CAPABILITIES STATEMENT

Pharmacy strategy for *managed care* leaders.

TLS Rx Advisory Group is an independent pharmacy advisory firm for Medicaid, Medicare, and Marketplace health plans, managed care organizations, and PBMs. We turn pharmacy data, contracts, and compliance requirements into clear decisions, with the perspective of operators who have run pharmacy programs from the inside.

WHAT TLS STANDS FOR

Transparency. Leadership. Strategy.

T Transparency
Clarity on PBM contracts, pricing, and performance.

L Leadership
Operator perspective for decisions leaders can stand behind.

S Strategy
Practical plans that improve performance and reduce risk.

CORE SERVICES

Pharmacy Program Assessment
End-to-end review of pharmacy operations, workflows, and controls.

PBM Performance Review
Independent review of PBM contract terms, pricing, and delivery.

Medicaid Pharmacy Strategy Advisory
Ongoing advisory support for Medicaid pharmacy leaders.

Utilization Management and Formulary Strategy
Prior authorization, step therapy, and formulary decisions that balance cost and access.

Specialty Drug Performance
Visibility into specialty spend, channel management, and trend levers.

Regulatory Readiness and Audit Support
Preparation for state Medicaid and CMS Medicare reviews.

Medicare Part D Advisory
Formulary, utilization management, Star Ratings measures, and CMS compliance readiness.

Pharmacy Benefit Design
Benefit and network design that balances cost, access, and member experience.

WHO WE SERVE

- Medicaid Health Plans
- Medicare Advantage and Part D Plans
- Managed Care Organizations
- Pharmacy Benefit Managers
- Health Systems and Healthcare Organizations

OUR APPROACH

1. **Discover**
   Understand your goals, constraints, contracts, and data.
2. **Assess**
   Analyze operations, performance, and risk against requirements.
3. **Recommend**
   Deliver clear, prioritized findings and a practical path forward.
4. **Support Implementation**
   Stay engaged as your team puts the plan into action.

Flat-fee engagements with clearly defined scope and deliverables.
